About Us

D&T Career Planners LLP is dedicated to shaping successful careers by bridging the gap between education and industry. We empower students and professionals through career guidance, skill development, industry-oriented training, educational tours, industrial visits, and placement assistance. In collaboration with leading educational institutions and industry partners, we create practical learning experiences that enhance employability and prepare individuals for real-world challenges. Our commitment is to nurture talent, build confidence, and help every learner achieve their academic and professional aspirations.

Vision

Empowering individuals to become skilled, confident, and career-ready professionals.

Mission

Bridging education and industry through training, guidance, exposure and placement opportunities.

Our Services

Training Programs

Industry-oriented training that builds practical knowledge and job-ready skills.

Skill Development

Enhancing communication, leadership, technical, and professional competencies.

Placement Assistance

Resume support, interview preparation, career guidance, and placement opportunities.

Career Counseling

A trusted career counseling and admission guidance organization providing end-to-end support for students across India. Their services include career planning, course selection, admission counseling, and personalized guidance to help students make informed career decisions.

Industry Connect Programs

Expert sessions, workshops, seminars, guest lectures, and industry interactions.

Educational & Industrial Tours

Organizing educational tours, industrial visits, and experiential learning programs for schools, colleges, universities, and organizations.

Future-ready Programs

- Campus Recruitment & Placement Readiness Training
- Soft Skills and Professional Development
- Industry-Oriented Technical Training
- Future-Ready Skill Development Programs
- Logistics & Supply Chain Management Training
